

FANNIE HARDY, LCSW

CLINICAL THERAPIST

Fannie Hardy, is a Licensed Clinical Social Worker with many years of experience. Fannie has a passion for working with and helping people. This ignited her interest and career choices which directed her in pursuing a career in human services and social work. Fannie has worked over the years in community/ mental health agencies, acute inpatient/outpatient care hospital settings, community healthcare vans, agencies operated by The Department of Children and Families, clinical research settings for chronic/terminally ill patients as well as the Department of Social Services. Fannie has provided clinical and mental health services to children and families, adolescents, adults , the elderly, women and couples. Specialties: attention deficit disorder, anger management, trauma, grief and loss, anxiety, depression and other mental health issues.

Additionally, Fannie's work experiences includes:

- Case management and community services
- Case work
- Domestic Violence
- Medical social work
- Field Supervisor for students pursuing a degree in social work
- Mental Health Work
- Child and Family Advocacy
- Therapeutic Counseling with all age groups
- Group Work
- Substance and Alcohol Abuse
- Working with persons living with chronic/terminal illnesses
- Prenatal/postpartum depression
- Life stresses

Fannie is continuously studying modalities and seeking to gain more skills as she engages in educational training that will assist in the process of helping to maintain one's overall care and well-being. Fannie believes that change happens when people are empowered and given guidance to draw on their own strengths. Fannie provides an environment of compassion, care and support to individuals facing obstacles in their lives.
